**Important
information
for *Australia*,
Japan and
South Korea
teams**

It is important that teams realise just how challenging the Borneo Futsal Cup will be.

Over the last 10 years there has been a major focus on youth development in SE Asia and Asian teams have caught up fast. Powerhouse Asian countries like Australia, Japan & South Korea are no longer dominating.

Your team will be challenged in many ways but will return home as better & more mature players. The Borneo Futsal Cup is recommended for strong Schools and Sports Schools.
